TO ATTEND LEAGUE MEETING

DIRECTORS DISCUSS PLANS FOR NEXT SEASON.

Whether the new Utah-Montana Baseball league will be a go or not, enough Butte tomorrow. The directors of the Salt Lake Baseball club held a meeting last night at which the new league was thoroughly discussed. It was learned that a majority of the directors favored the proposition, if satisfactory railroad rates could be secured between the Montana end of the circuit and the Utah end. At any rate a delegate was appointed to attend the meeting in Butte tomorrow, with full power to act for the local club. One of the directors, after the meeting, tated that it was absolutely necessary or a Utah-Montana league to be formed next season to keep up the local interest in the national game. For the past two seasons a league composed of Utah clubs alone has been tried, and in each instance has falled to last the season out. Just how another can be organized again next year and made a success is more than he can understand. Ogden and Salt Lake have proven in the past that they will support good baseball teams, but these two teams alone cannot play a season of keep up the interest. that a majority of the directors favored

## GIRLS AT BASKETBALL

High School Freshmen Defeat Juniors in an Exciting Game at Y. M. C. A.

The first girls' basket ball game of the and freshmen teams of the High school at the Y. M. C. A. yesterday afternoon. Freat interest centered in the game, and he gymnasium was packed to such that it seriously interfered with the game. The freshmen easily out-played the juniors, running up a score of 15 to 0 in two lifteen-minute halves. Several fouls were called on the latter team, while the freshmen had but one called against them. The game was almost endrely devoid of rough playing, although both teams played a fast game. There is talk of a return match in the near future.

There is talk of a return match in the near future.

Miss Williams and Miss Burling, High school teachers, coached the teams, and deserve great credit for the showing made by them. The interest awakened yesterday will probably result in a number of girls' teams being organized at once, and a girls' league may be organized for the winter months. The following was the line-up and officials: Freshmen 15. Position. Juniors 0. B. Sparling. L. F. F. Rogers E. Evans. R. F. M. Ott C. Gibson. C. L. Passomb I. Jaensch. L. B. E. Thompson M. Hodgson. GUEYMARD'S RETURN.

Unable to Get Match With the Butte Teams.

Manager Gueymard returned from Butte last evening and was not feeling in the best of humor over his failure to get a game with the Butte High school. All Hallows had a game scheduled with the Butte team for the 7th of tris month, but in the words of Manager Gueymard. The Butte team blaved the Fort Shaw Indians on Thanksgivhs, winning the game by a close score of 6 to 0. After this contest, Manager Gueymard says they claimed a game with the All Hallows would be a losing proposition, and for this reason called it off. The Butte team 20 per cent of the gate receipts and pay his own expenses there and back. This failed to get the contest and the All Hallows' manager returned home disgusted. While there, Manager Gueymard also tried to get a game with the Butte Salt Lake Business college, but in this he also failed. Two games were scheduled with them for next year, however, one to be glayed in Salt Lake and the other in Butte. The All Fallows team will hold a meeting this week and disband for the season. Manager Gueymard says at this time an attaletic committee will be formed at the college, and in the future all athletic events will be bandled by them.

A football committee will be appointed at once, and active work upon the organization of next year's team will begin work upon the organization of the beam this winter. Manager Gueymard returned from

JEFFRIES TO APPEAR.

Dec. 14 the Date Selected for the WAS ON TRAIL OF KIDNAPER Champion's Appearance-Will Box Six Rounds.

J. P. Egan, advance agent for James J Jeffries, left for the east last evening, after arranging with Manager McNamee the local attletic club for a date.

longer time.

Egan said he would pass the matter up to Jack Jeffrics, and he could make the match to suit himself on his arrival here. Burns stated yesterday that he was willing to meet the brother of the champion any time during the Christmas holidays, as this would give him plenty of time to get in condition. The local boxer will try to sign up a match with Brother Jack upon his arrival. The latter weighs about 190 pounds and the local man tips the scales at ten pounds lighter.

A go between them should therefore be interesting.

a go between them should therefore be litteresting.

Manager McNamee says he does not know what is the matter with Morgan Williams, the Colorado champion, who has challenged Christy for a fight. He says he has received word from him that he wants the fight, but this is as much as he can get out of the Colorado man. "It now looks," says McNamee, "as if we will have to pass this fellow up. At any rate, if Williams wants to meet the local man he will have to step forward without much more delay.

"Philadelphia" Tommy Rvan is still trying to get on a match in Salt Lake. A letter from him yesterday states that in case a match could not be arranged with Joe Cotten anythe eise would do. Tom Rellly has written for a contest, and Manager McNamee says he will try and get these two men together. They are about the same weight and base fair

M'GOVERN'S EXCUSE.

Manager Sam Harris Tells How It

Happened. Ever since prize fighting was first in-roduced it has been the custom for a defeated man to offer an excuse. The public has come to look forward to this almost as soon as the returns are in. Managed Sam Harris of McGovern is not behind the other managers, and now gives the public the real reason why McGovern lost his fight with "Young Corbett."

Govern lost his fight with "Young Corbett."

"I don't wish to take away any of the credit that is due to 'Young Corbett' over his great victory, but I still insist that the result of the fight was due to a fluke. When McGovern was put down in the first round his head came in contact with the boarded floor of the ring and this so stunned him that he was in a dazed condition thereafter. McGovern had all the better of the mill up to this time, and had the ring been padded there would have been another story to tell. In delivering the last blow 'Young Corbett' did not realize himself that he had hit Terry with effect, as his head was down and he was swinging his hands wildly. It was lucky enough to be a winning blow and what I consider a chance one. "I am positive McGovern did not show his true form in this contest, and I am willing to accept the proposition of James C. Kennedy, manager and matchmaker of the Twentieth Century Athletic club of San Francisco, Cal., who has offered a purse of \$10,000 for the men to meet again at his club. I am quite willing that Terry shall meet him again, the same conditions to maintain, and would prefer to have the winner take all." tions to maintain, and would prefe

MEETING POSTPONED.

Rifle Club May Challenge Springville Shooters.

A meeting of the Rifle club was to have been held last evening, but a quorum falled to appear, and those present postponed the meeting. The membership of the club has increased considerably in the past month, and a number of good shots have been secured in this way. There is some talk of challenging the Springville Rifle club to a match shoot in the near future. The Liter club has quite a reputation at the target, but some members of the local club think they can secure a team to beat them. The Springville club issued a challengo to the Salt Lake club last spring, and it is stated that if they should do so again it would at once be accepted.

Decision in Mining Suit.

Decision in Mining Suit.

Helena, Mont., Dec. 2.—The supreme court today handed down an important decision in the iltigation between the Boston & Montana Mining company and the Montana Ore Purchasing company. Some time ago Judge Clancy of Butte denied a motion of the Boston & Montana Company for an injunction to restrain the Montana Ore Purchasing company from working the Pennsylvania mine, pending a decision on the ownership of the mine by the supreme court. The Boston & Montana appealed from Clancy to the supreme court, and the latter today affirmed the lower court. There is now a provisional injunction in force, under the terms of which the Montana Ore Purchasing company is operating the Pennsylvania, and it is not believed there will be further attempts by the Boston & Montana to enjoin the rival company until the supreme court hands down its opinion in the main case.
